CURIOSITY CURES THE CAT

With one in seven cats having heart disease, it's smart to be curious about their cardiac health. Talk to your veterinarian about intervening with a complete heart exam for your cat and including ROYAL CANIN® in Cardiac their diet.

NAME: MAVERICK		
AGE: 6 YEARS	RUSSIAN BLUE	
CONDITION:		<input type="checkbox"/> HEART WITH LEFT VENTRICULAR HMC

ESSENTIAL CARE FOR HEALTHIER HEARTS

OWNING VALENTINE'S DAY Feb 2023 B2C

ROYAL CANIN® TURNS 'VALENTINE'S DAY' 2023 INTO 'FELINE/CANINE HEART HEALTH DAY'.

Let's leverage Valentine's Day for consumers. We inform them that their pets are at risk of developing heart issues, and encourage them to ask their vet for a complete diagnosis during the next visit.
